

Dahua Technology P5B-PV Spherical IP security camera Indoor & outdoor 2880 x 1620 pixels Ceiling/wall

Model: P5B-PV

Manufacturer: DAHUA

EAN: 6923172563491

Product Code: 1578951

R1,413

The Picoo series of small PT cameras raises the bar on performance. After detecting an intrusion, it triggers sound and light alarms, and then instantly relays vital information on the intrusion to the mobile client, keeping you informed no matter where you are. It supports two-way talk, allowing you to communicate with people in front of the camera in real time. It also can record full-color videos and information of key events using Smart Dual Illuminators, effectively reducing light pollution.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
