

ZTE RJ45-RJ45F-W-20-CAT5E Cable Connector

Model: RJ45-RJ45F-W-20-CAT5E

Manufacturer: ZTE

Product Code: 1578979

R862

The **ZTE RJ45-RJ45F-W-20-CAT5E Cable Connector** is an essential component designed specifically for the **MC889 ODU router**. This high-quality connector features a length of 20 cm, making it ideal for various networking applications. Constructed from durable **plastic material**, it ensures long-lasting performance and reliability in your network setup.

One of the standout features of this connector is its **U/UTP shielding**, which provides enhanced protection against electromagnetic interference, ensuring a stable and efficient connection. The **CAT 5e cabling** type further enhances data transmission speeds, making it suitable for both home and professional use. With the **ZTE RJ45-RJ45F-W-20-CAT5E**, you can expect superior connectivity and performance in your networking environment.
