Ubiquiti UVC-G6-PTZ-B Black IP Security Camera with Night Vision and 350 Degree Rotation

Model: UVC-G6-PTZ-B

Manufacturer: UBIQUITI

EAN: 810177161493

Product Code: 1578983

R10,123

UNMATCHED 4K CLARITY AND VERSATILITY

The Ubiquiti G6 PTZ Camera delivers stunning 4K resolution with its advanced 8MP image sensor, ensuring that every detail is captured with exceptional clarity. This dual-lens camera features a 10x hybrid zoom, allowing for versatile monitoring capabilities, whether you're tracking people, vehicles, or animals. With a wide field of view and the ability to pan 350° and tilt 100°, this camera adapts seamlessly to various surveillance needs, making it an ideal choice for both residential and commercial applications.

ADVANCED AI FEATURES FOR ENHANCED SURVEILLANCE

Equipped with a Multi-TOPS AI Engine, the G6 PTZ Camera offers enhanced smart detection capabilities, including face and license plate recognition. This intelligent technology allows for precise monitoring and alerts, ensuring that important events are captured and recorded. The camera's ability to differentiate between people, vehicles, and animals enhances security measures, providing users with peace of mind and a more efficient surveillance experience.

ROBUST WEATHERPROOF DESIGN FOR ALL CONDITIONS

Designed for outdoor use, the G6 PTZ Camera boasts an IP66 weatherproof rating, ensuring reliable performance in various environmental conditions. With a temperature tolerance ranging from -30 to 50°C (-22 to 122°F) and built-in IR LED illumination for night vision up to 30 meters (98 feet), this camera is equipped to handle rain, snow, and low-light situations. Its durable aluminum alloy and polycarbonate construction further enhance its resilience, making it a dependable choice for long-term outdoor surveillance.

COMPREHENSIVE CONNECTIVITY AND EASY INSTALLATION

The G6 PTZ Camera features a 10/100 MbE RJ45 networking interface, allowing for straightforward integration into existing systems. It supports Power over Ethernet (PoE+) for simplified installation, eliminating the need for additional power sources. With multiple mounting options included, such as wall, surface, and pole mounts, this camera can be easily positioned to meet specific surveillance requirements. The expansion slot for a MicroSD card provides additional storage flexibility, ensuring that important footage is readily accessible.
