

Ubiquiti UFiber Active Ethernet

Model: UACC-AE

Manufacturer: UBIQUITI

Product Code: 1579096

R1,300

SEAMLESS 5GBE CONNECTIVITY FOR ENHANCED PERFORMANCE

The Ubiquiti 5G Ethernet Adapter is designed to provide seamless 5GbE network connectivity, making it an essential tool for users who demand high-speed internet access. With its plug-and-play functionality, this adapter allows for quick and easy setup, ensuring that users can connect to their networks without the hassle of complicated installations. The inclusion of a 5 GbE RJ45 port and a USB Type-C port ensures compatibility with a wide range of devices, making it versatile for both personal and professional use.

ROBUST DESIGN MEETS PORTABILITY

Constructed from durable polycarbonate and aluminum alloy, the Ubiquiti 5G Ethernet Adapter is built to withstand everyday use while remaining lightweight at just 38 grams (1.3 oz). Its compact dimensions of 83.4 x 25 x 16.5 mm (3.3 x 1 x 0.6 inches) make it easy to carry, fitting effortlessly into bags or pockets. This robust design not only enhances portability but also ensures longevity, making it a reliable choice for users who are always on the go.

BROAD COMPATIBILITY AND COMPLIANCE FOR PEACE OF MIND

The Ubiquiti 5G Ethernet Adapter boasts broad compatibility with various operating systems, including Mac OS 14.2 and future releases, Windows 7/8/8.1, Windows 10/11, and Linux. This extensive support ensures that users can integrate the adapter into their existing setups without compatibility issues. Additionally, the adapter is NDAA compliant and certified by CE, FCC, IC, and UKCA, providing users with confidence in its quality and adherence to regulatory standards.
