

Ubiquiti UNAS 2 NAS Desktop Cortex-A Cortex- A57 4 GB White

Model: UNAS-2-W

Manufacturer: UBIQUITI

EAN: 810177162018

Product Code: 1579105

R6,275

COMPACT AND EFFICIENT STORAGE SOLUTION

The Ubiquiti UNAS 2 is designed to meet the demands of modern data storage with its compact dimensions of 135 x 129 x 223.7 mm. This desktop unit features two 3.5" HDD bays, allowing for significant storage capacity while maintaining a small footprint. The device is powered by a Quad-Core ARM Cortex-A55 processor running at 1.7 GHz, ensuring smooth performance for both personal and shared drive functionalities. With a maximum power consumption of 60W and support for PoE++, it offers an efficient power solution that minimizes clutter and maximizes utility.

ADVANCED NETWORKING AND CONNECTIVITY FEATURES

Equipped with a 2.5 GbE RJ45 networking interface, the UNAS 2 ensures high-speed data transfer, making it ideal for both home and office environments. The inclusion of a 5 Gbps USB-C expansion

port enhances connectivity options, allowing for easy integration with other devices. Additionally, the UNAS 2 supports various file sharing protocols, including NFS and SMB, and is compatible with popular cloud services such as Google Drive and Dropbox. This versatility makes it a powerful tool for seamless data management and backup solutions.

ROBUST DATA MANAGEMENT AND SECURITY OPTIONS

The UNAS 2 offers a comprehensive suite of data management features, including RAID 1 support for redundancy, file encryption for enhanced security, and the ability to create snapshots for data recovery. Users can easily back up data to remote UNAS devices, CIFS/SMB servers, or cloud services, ensuring that critical information is always protected. With support for Time Machine backups and user group management, this device is tailored for both individual and collaborative use, making it an essential component for any data-driven environment.
