

Dahua PFA130-E-V3 Mounting box, IP66, metal, white

Model: PFA130-E-V3

Manufacturer: DAHUA

Product Code: 1579146

R758

The **DH-PFA130-E** is a high-quality **water-proof junction box** from the renowned manufacturer **Dahua Technology**, designed specifically for use in outdoor surveillance applications. This model features a **neat and integrated design** that seamlessly blends with various camera installations, ensuring both functionality and aesthetics. Made from durable **aluminum**, the junction box is built to withstand harsh environmental conditions, making it an ideal choice for outdoor settings.

With an impressive **IP66 protection rating**, the **DH-PFA130-E** is resistant to dust and can withstand powerful water jets, ensuring reliable performance in any weather. The junction box supports a load bearing capacity of up to **3.0 kg** (6.61 lb), making it suitable for a wide range of camera models. Additionally, it operates effectively in a temperature range of **-40°C to 60°C** (-40°F to +140°F), ensuring that your surveillance system remains functional in extreme conditions.
