Ubiquiti G6 Pro Turret IP security camera Indoor & outdoor 3840 x 2160 pixels Ceiling/wall

Model: UVC-G6-Pro-Turret-W

Manufacturer: UBIQUITI

EAN: 810177163251

Product Code: 1579233

R12,652

UNMATCHED 4K CLARITY AND NIGHT VISION

The Ubiquiti G6 Pro Turret camera delivers stunning 4K resolution, ensuring every detail is captured with exceptional clarity. Equipped with a large 1/1.2" CMOS sensor, this camera excels in low-light conditions, providing impressive night vision capabilities up to 40 meters (131 feet). The built-in adaptive IR LED illumination and IR cut filter enhance nighttime surveillance, making it an ideal choice for monitoring outdoor areas around the clock.

ADVANCED AI FEATURES FOR SMART SURVEILLANCE

This camera is powered by a Multi-TOPS AI engine, enabling advanced smart detections for people, vehicles, and animals. With features such as face and license plate recognition, the G6 Pro Turret enhances security by providing accurate alerts and insights. The camera's two-way audio capability allows for real-time communication, making it a versatile tool for both security and customer engagement.

ROBUST AND WEATHERPROOF DESIGN

Designed for outdoor use, the G6 Pro Turret is built to withstand harsh weather conditions with an IP66 weatherproof rating. Its tamper-resistant IK04 enclosure ensures durability against physical impacts, making it a reliable choice for various environments. The camera can be easily mounted on ceilings or walls, with optional accessories available for enhanced installation flexibility.

COMPREHENSIVE CONNECTIVITY AND CONTROL

Equipped with a GbE RJ45 port, the G6 Pro Turret supports Power over Ethernet (PoE+), simplifying installation by reducing the need for additional power sources. The UniFi Application Suite allows for seamless integration and management of multiple cameras, providing users with comprehensive control over their surveillance system. With customizable image settings and a maximum frame rate of 30 FPS, this camera ensures high-quality video performance tailored to specific needs.
