Product Code: 1579333

R9,248

The Canon i-SENSYS MF461dw II is a compact black & white laser printer designed for high-productivity offices. It delivers fast duplex printing at up to 36 ppm and high-speed scanning up to 100 ipm, ensuring professional results. Advanced 360° security safeguards data, while the 5-inch touchscreen offers intuitive control. With quick setup, smart scanning, flexible workflows, QR code support, and eco-conscious design, it provides reliable, efficient, and sustainable performance.
