possible to easily customize the monitor by installing applications directly to it. The Power over Ethernet technology (POE) allows to provide both data connection and power by a single cable, simplifying all installations. Thanks to the NFC/RFID reader, the touch panel PC allows to communicate wirelessly with enabled devices or tags within close proximity and the RGB Led bar will clearly and intuitively indicate the availability status of the room. Additionally, it integrates effortlessly with iiSignage2 , iiyama’s Content Management System (CMS), giving you full control over your messages and advertising, in landscape portrait and face-up position. Together with the built-in 5 megapixel camera, microphone and speakers it offers limitless, interactive installation possibilities.
