SEAMLESS INTEGRATION WITH UBIQUITI'S G6 180 CAMERA

The G6 180 Camera Flush Mount is designed specifically for recessed ceiling installations, ensuring a sleek and unobtrusive appearance. With precise dimensions of 173.5 x 102 x 104.5 mm (6.8 x 4 x 4.1 inches) and a lightweight design at just 212 g (7.5 oz), this mount offers both functionality and aesthetic appeal. Crafted from durable polycarbonate, it provides a robust housing that complements the UVC-G6-180 camera, allowing for optimal performance and security in various environments.

DURABLE DESIGN FOR LONG-LASTING PERFORMANCE

Constructed from high-quality polycarbonate, the G6 180 Camera Flush Mount is built to withstand the rigors of everyday use while maintaining its integrity over time. Its compatibility with the UVC-G6-180 camera ensures that users can achieve the best possible surveillance coverage without compromising on style. This flush mount not only enhances the camera's capabilities but also integrates seamlessly into any ceiling design, making it an ideal choice for both residential and commercial applications.
