

InLine HDMI to DVI Cable male / 18+1 male gold plated 2m

Model: 17662P

Manufacturer: INLINE

EAN: 4043718097111

Product Code: 1579861

R715

High compatibility for IT and AV infrastructures: Reliably connects HDMI sources to DVI displays – ideal for system houses, office environments, and AV installations.
Reliable signal transmission in Full HD: Supports 1080p resolutions and a data rate of up to 4.95 Gb/s for razor-sharp images.
Optimized shielding for interference-free performance: High-density multiple shielding protects against electromagnetic interference – ideal for professional use.
Robust quality for continuous use: Gold-plated contacts and a loss-reducing PE insulator guarantee a permanently stable connection.
Flexible integration into existing systems: Versatile thanks to different versions for various installation requirements.

The InLine® HDMI-DVI cable with gold-plated contacts offers a reliable and powerful connection solution for professional applications in IT and AV environments. It connects HDMI sources such as PCs, notebooks, digital receivers, or media players to displays or projectors that have a DVI-D input

(18+1).

With a maximum data rate of 4.95 Gb/s and support for Full HD resolutions (1080p), the cable ensures high-quality image transmission. The integrated automatic connector detection enables plug-and-play operation without additional configuration - a plus for time-saving installations.

The high-density PE insulation and multiple shielding provide reliable protection against electromagnetic interference and ensure stable signal quality. Gold-plated contacts ensure low-loss transmission and improve long-term durability during intensive use.

The cable is available in different versions, making it suitable for both mobile setups and permanently installed installations in conference rooms, training centers, or industrial facilities.

Thanks to HDMI 1.3 compatibility, broad device support is ensured.

Connector: HDMI connector (type A) to DVI-D connector (18+1)

Data rate: up to 4.95 Gb/s

Resolution: supports 1080p / FullHD (single link)

HDMI version: 1.3 compatible

Contact material: gold-plated

Insulation: high-density PE plastic

Shielding: multi-layer, high-density

Plug-and-play: automatic connector detection
