## Secure Notebook Sling Backpack as Your Ultimate Travel Companion for Smaller Devices

Upgrade your daily commute or travel experience with the Amsterdam Anti-Theft Laptop Sling Bag from Manhattan, designed to offer supreme functionality, security, and style. Ideal for compact laptops, Microsoft® Surface 2-in-1 detachables, large tablets like iPad® Pro, and more, it lets you stay organized and secure, knowing your belongings are protected.

## Spacious Top-Load Main Compartment

This bag accommodates most devices up to 13.3 inches and includes a padded notebook sleeve for added protection.

## Generous 14L Capacity

The bag provides ample space to store your laptop, accessories, and more, ensuring you have everything you need on the go.

## Comfortable Carry Options

It is equipped with a thickly padded carry handle and cross-body sling strap, ensuring easy and secure transportation. The breathable back padding enhances air circulation and carrying comfort, even during extended use.

## Durable Water-Repellent Material

Keep your belongings safe from weather, spills, and everyday wear and tear.

## Enhanced Security

The snap hooks on the zippers lock the compartments to protect against theft, giving you peace of mind. The hidden back pocket securely stores items like your wallet, phone, or passport, keeping them out of reach from pickpockets.

## Smart Inner Space

Featuring a convenient detachable key ring, the zippered inner mesh pocket is ideal for small items like earbuds, power banks, and other accessories. The business card compartment keeps your cards ready and crease-free. Two dedicated pen holders ensure your pens are always within easy reach.

## Elastic External Pockets

Two expandable pockets on the left and right side are perfect for carrying a water bottle, umbrella, or travel coffee mug.

## Padded Bottom

Laptop bags without proper padding at the bottom are susceptible to damage, but not this one. The thickly padded bottom provides extra protection for your contents from mishaps and commuting hazards.
