

Equip 10" Blank Panel, 1U, Light Grey

Model: 327531

Manufacturer: EQUIP

EAN: 4015867238356

Product Code: 1581273

R631

The Equip 10" Blank Panel, 1U, in black, is a versatile and essential component for maintaining an organized and professional server rack or data center. This panel is designed to fill unused rack spaces, helping to manage airflow, enhance cooling efficiency, and maintain a clean and professional appearance.

Constructed from high-quality, durable materials, this blank panel ensures longevity and reliability. The sleek black finish provides a modern, cohesive look that complements any rack equipment. With its 1U height, it fits seamlessly into standard rack units, allowing for easy installation and a secure fit.

Ideal for use in data centers, server rooms, and network closets, the 10" Blank Panel is a practical and cost-effective solution for managing unused rack space. It contributes to a tidy, efficient, and professional environment, ensuring that your equipment performs optimally and remains protected from dust and debris.
