

Equip Wireless 2D Barcode Scanner, with Stand

Model: 351024

Manufacturer: EQUIP

EAN: 4015867231708

Product Code: 1581981

R2,311

The Equip Wireless 2D Barcode Scanner with Stand is a versatile and efficient scanning solution suitable for various industries. With its wireless functionality, it provides freedom of movement, making it ideal for applications in retail, warehousing, and inventory management. The included stand enables hands-free operation, enhancing productivity and reducing user fatigue.

This scanner offers exceptional performance and connectivity options, ensuring seamless integration into your existing systems. Its 2D scanning capability allows it to read a wide range of barcodes, including QR codes and Datamatrix, ensuring efficient data capture. Whether you need to scan barcodes on products, shelves, or packages, this scanner simplifies the process, streamlining operations and improving accuracy.

The wireless 2D barcode scanner with a stand is a cost-effective solution for businesses looking to optimize their operations, enhance inventory accuracy, and provide superior customer service. It's a reliable tool for organizations seeking an efficient way to manage 2D barcoded information while
