TUF Gaming H3 headset has inherited the most iconic feature of ASUS gaming headsets: the exclusive airtight chamber and ASUS Essence drivers, which provide clearer audio with strong bass to immerse you in a natural-sounding gaming experience.

7.1 Virtual Surround Sound

Virtual 7.1 surround sound technology provides an upgraded level of audio precision that will give you a competitive edge.

Lightweight Comfort

Weighing just 294 grams, the lightweight construction of TUF Gaming H3 headset is designed to keep you comfortable during extended sessions.

ASUS Fast-Cooling Ear Cushions

TUF Gaming H3 headset employs ASUS fast-cooling ear cushions that consist of 100% protein-leather and fast-cooling memory foam to deliver ultimate comfort.

Long-Lasting durability

Stainless-steel headband

To withstand the rigors of intense gaming, the headband on TUF Gaming H3 headset is made of stainless steel. For improved comfort, the headband is designed to provide 20% less clamping force than other headsets.

Certifiably Clear Communication

TUF Gaming H3 headset includes a unidirectional boom microphone, tuned especially for clear voice communication and certified by leading communication apps. Intuitive control buttons on the ear cup let you instantly control volume or mute the microphone.

Full Compatibility with PC, Mac, PlayStation 4, and Nintendo Switch
