This high-quality power cord is designed to provide a reliable and efficient connection for your devices. It features an IEC C13 connector on one end and a Schuko 180° plug (CEE 7/7) on the other, making it ideal for use with a wide range of electronic equipment, such as computers, monitors, printers, and other IT or office devices. With support for up to 250V and 10A, it delivers stable power for both professional and personal applications.

Built for durability, this cord is made from premium materials that ensure long-lasting performance and resistance to everyday wear and tear. The 180° Schuko plug design offers enhanced versatility, allowing easy connection in confined or awkward spaces. The connectors are precisely molded for a secure fit, ensuring reliable performance without the risk of power interruptions.
