

LogiLink UA0342 card reader Internal Black

Model: UA0342

Manufacturer: LOGILINK

EAN: 4052792053012

Product Code: 1582211

R1,258

Product information "USB 3.0 hub, 7-port 5.25" internal, with fast charging port" from LogiLink

LogiLink's USB 3.0 UA0342 is built into the standard 5.25" bay of the computer and provides 7x USB 3.0 ports. These can be used to operate a variety of USB devices such as printers, scanners, external hard disks or card readers. The hub supports Plug and Play and requires no drivers. Thanks to the USB 3.0 standard you can use transfer rates up to 5 Gbps. The 7th USB port is also a fast charging port, which allows you to charge your mobile devices like smartphone or tablet even faster!

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
