

Equip Audio Split Cable

Model: 147941

Manufacturer: EQUIP

EAN: 4015867204924

Product Code: 1582388

R546

The equip® Audio Split Cable features one 3.5mm Female and two 3.5mm Male connectors, enabling you to connect a 4-position headset with Audio and microphone input to your PC or Laptop. It connects into both the audio and mic ports on your desktop or laptop computer, providing a single (4-Position) female connector - a perfect solution for online gaming or use with VOIP applications (Skype, chat programs).
