R2,101

"The equip® 13"-27" Articulating Quad Monitor Desk Mount Bracket is a versatile solution designed to elevate your productivity and create an organized workspace. This bracket accommodates four flat-panel monitors ranging from 13 to 27 inches, offering a dynamic articulating arm system for each screen. With adjustable tilt, swivel, and rotation capabilities, it enables you to achieve ergonomic comfort and optimal viewing angles.

Ideal for multitasking, gaming, or professional work, this mount maximizes desk space while ensuring stability through its robust design. Integrated cable management keeps cables tidy and reduces clutter. Whether in an office, home workstation, or entertainment setup, the quad monitor desk mount enhances visual immersion and multitasking efficiency. It's a valuable accessory for those seeking a streamlined and flexible monitor arrangement to support their diverse computing needs."
