Model: K50424WW

Manufacturer: KENSINGTON

EAN: 085896504245

Product Code: 1583436

R1,543

The Universal Tabletop Laptop Riser lets you raise your laptop to a comfortable viewing height while also cutting desktop clutter. Constructed of durable steel and aluminium, this sturdy laptop riser supports any size laptop up to 16", max. weight 8kg (17.6lbs). Stepless design means no tools are needed to adjust the height anywhere between 151 and 200mm, or tilt the angle from 0° to 45°. Open ventilation enhances air circulation and laptop cooling, while ample storage underneath lets you stow accessories. Anti-slip silicone pads prevent the laptop from being scratched and help keep the device in place.
