

Techly ICOC-USBC-DP12 video cable adapter 0.131 m USB Type-C DisplayPort Black

Model: ICOC-USBC-DP12

Manufacturer: TECHLY

EAN: 8059018367942

Product Code: 1583745

R1,149

ICOC USBC-DP12 allows you to add an additional monitor to your desktop computer or laptop's USB-C™ port.

Thanks to its flat, tangle-free design and length of just 13.1 cm, it can easily be placed in your pocket, bag or suitcase and taken with you.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
