The Vertical Stacking Dual Monitor Arm offers solid, stable vertical positioning of two monitors, each up to 32 (9kg/19.8lbs), while maximising work space. Ideal for gaming, top-to-bottom web browsing, control rooms, or anywhere desk space is limited. A quick-release handle provides smooth and effortless monitor height adjustment. Easy to install and use, the full-motion design allows monitor positioning in any direction. Detachable $\pm 180^\circ$ rotatable VESA® 75/100 plates and pre-installed C-clamp (optional grommet mount included) provide an easily-installed stable and secure platform. Integrated cable management reduces clutter.
