BISSELL® SpotClean® Cordless portable carpet and upholstery deep cleaner combines cordless cleaning freedom with the power of a corded machine. Spray, scrub, and vacuum tough stains with a powerful motor and cordless convenience. With two cleaning modes, SpotClean® Cordless offers versatile cleaning with up to 35 minutes of quieter run time in Eco mode. Easily clean tough kid, pet and everyday life messes on upholstery, carpet, patio furniture, car interiors and everything in between. The extra-long 1.7m hose with the 10 cm Tough Stain Tool allows you to reach everyday messes anywhere, any time, while the XL sliding crevice tool is perfect for tight spaces. The two separate removable tanks for clean and dirty water and the included HydroRinse™ Self-Cleaning Tool provide convenient use and cleaning thereafter.
