With its sleek and contemporary aesthetics, this coffee machine effortlessly blends into any urban setting, making it the perfect addition to your modern lifestyle. Its user-friendly features ensure a seamless coffee experience, allowing you to indulge in the art of coffee preparation with ease.

2 COFFEE SIZES: ESPRESSO AND LUNGO

Enjoy the perfect cup of coffee with just a touch of a button. Our Nespresso Citiz coffee machine offers two coffee sizes to cater to your preferences: Espresso, for those seeking a bold and intense flavour, and Lungo, for a longer and more indulgent coffee experience.

CONVENIENCE AT A TOUCH OF A BUTTON

Experience the joy of swift preparation with our fast heat-up system, reaching the ideal temperature in just 25 seconds.

WELCOME SET INCLUDED

This coffee machine comes with 7 Nespresso coffee pods, covering different coffee styles from Espresso to Lungo to help you discover our recipes and flavours you can find out more about our coffees on the Nespresso website.

ENERGY SAVING

The Citiz coffee machine is designed with an automatic switch-off feature. After 9 minutes of inactivity, the machine intelligently powers down, saving energy and reducing your environmental footprint. This not only ensures convenience but also contributes to a more sustainable lifestyle.

SUSTAINABILITY

Embrace sustainability with Nespresso. As a certified B Corporation, we are committed to social and environmental responsibility. Our capsules are recyclable, and we collect and recycle all aluminium capsules, contributing to a circular economy. Our pods are made of at least 80% recycled aluminium, an infinitely recyclable material, ensuring a more sustainable future.
