Model: UB500

Manufacturer: TP-LINK

EAN: 4897098683446

Product Code: 1585613

R699

Equip Your Computer with Bluetooth 5.0

Bluetooth 5.0 Nano USB Adapter

Bluetooth 5.0: Faster Speeds, Farther Coverage

UB500 equips your PC with more advanced Bluetooth 5.0 technology that has across-the-board upgrades compared with older versions. It runs faster connection speeds and farther range than the Bluetooth 4.0 technology, ensuring a strong and stable wireless connection between your PC and Bluetooth devices. Users also benefit from power conservation and larger broadcasting capacity.

Play Music from Across the Room

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Thanks to the improvements to Bluetooth, UB500 has a longer range of transmission between devices like your music player and PC. With a farther transmission distance, enjoy lossless audio via your Bluetooth headset without hovering around your computer. Now, there’s no need to worry about distance impacting your music listening.

Link to Your Computer via Bluetooth

UB500 makes non-Bluetooth PCs and laptops Bluetooth-capable. Just connect your Bluetooth devices to your computer and enjoy it with ease. It supports up to 7 Bluetooth devices all at once with a powerful wireless connection. You can transfer files, music, videos between your Bluetooth devices and PC with 2× faster transmission speeds.
