Model: TAPO C410 KIT

Manufacturer: TP-LINK

EAN: 8885020620368

Product Code: 1585632

R1,787

Wire-Free Ease,
Solar-Powered Security, Lifetime Protection
Smart Wire-Free Battery Security Camera Kit
Tapo C410 KIT

Solar, Wire-Free: Place Anywhere with Ease.

Effortlessly monitor your space wirelessly from any location, liberating yourself from outlet limitations. Embrace hassle-free security with the solar panel, providing flexible installation options for a maintenance-free experience.

Endless Power, Lifetime Security

Bye Batteries, No Wiring Hassles!

Ensures a lifetime of use without dealing with batteries, wiring, or recharging.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

45 Minutes

of daily direct sunlight ensures all-day monitoring

Crisp Clear Details with 2K Clarity

Sharper visuals in 2K resolution surpass standard 1080p. Advanced exposure algorithms dynamically correct overexposed areas for continuous high-quality imagery in real-time.

Full-Color View, Day and Night

Achieve crystal-clear visibility of intruders, even in complete darkness, thanks to the large aperture lens and built-in spotlights. Capture vibrant color night vision up to 30ft away for enhanced security.

Adaptable Storage Solutions

Choose your preference from on-device microSD card storage, or Tapo Care cloud service. Tailor your security to suit your needs.

Local microSD Storage

Supports up to 512 GB microSD card (not included).

Tapo Care Cloud Service

Receive rich notifications with snapshots, encrypted protection, data backups, and 30-day video clip history with Tapo Care cloud service.

Built to Withstand Rain and Heat

Tapo C410 KIT boasts an IP65 rating, ensuring dust and water resistance. It can withstand various harsh weather conditions, including rain, snow, dust, and bright sunshine, operating reliably in temperatures ranging from -4 to 113℉.

Privacy First

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
