- ONVIF Ensures Compatibility

Clarity and Colors, All in One

Monitor 24-hour clear and colorful details even in pitch dark night. VIGI Full-Color camera provides maximum 4MP resolutions and ensures colorful monitoring with its large-aperture lens, high-sensitivity sensor, and attached supplemental lights.

Simple and Fast

Wireless Connection

Enjoy simple wiring with Wi-Fi signals. Just power up your camera, then the transmission starts with its built-in 2×2 MIMO antennas.

We keep an eye on your business.

Smart Detection

Receive notifications and check feeds when someone crosses a boundary, enters an area you've set, or obstructs the camera.

Motion Detection

Get instant notifications when your camera detects motion.

Area Intrusion

Set customized activity zones around key areas for more focused monitoring.

Line-Crossing

Set a boundary and receive an alert anytime a person crosses it from either or both directions.

Camera Tampering

Receive alerts when someone obstructs the camera.

Active Defense

Warn and expel potential intruders instantly with sound and light alarms when abnormal events are detected.

Every Event is Under Your Control.

VIGI cameras intelligently detects activities, inform you instantly and respond automatically by smart detection and two-way audio.

Never miss a detail.

SmartVid-Smart Video Enhancement

Smart IR

Keeps objects from being under-rendered when far away or overexposed when close to camera at night.

Wide Dynamic Range

Adjusts for lighting contrast to minimize shadowing effects and renders images true to life.

3D DNR

Removes abnormal pixelation to provide clearer video and eliminate distortion.

More compression. More savings. Same quality.

Without using any extra bandwidth, your cameras transmit compressed crystal-clear video to save disk space, ease network loads, and reduce monitoring costs without sacrificing image quality.

Flexible Management and Storage

Take full control over your security via three management methods, VIGI NVR, App, and Security Manager. Local storage is available for each method, as well as onboard storage with SD card slot.

Flexible Installation Gives You More Convenience.

Easily route your camera's cable into a dropped ceiling or avoid drilling by slotting it through the
