R2,757

World's first facial epilator & cleansing brush system. Treat your face to flawless radiance.

Slim epilator head for ultimate precision

The sleek and compact design of the Braun Face lets you handle it like a mascara for absolute control and precision. It removes hairs from the root for up to 4 weeks of hairfree skin. So gentle, you're done before you know it. The extra slim head has 10 micro-openings that gently capture even finest hairs down to 0,02 mm.

Sonic facial brush

Cleanse your skin pore deep with the facial brush. Gently restore amazing purity and glow of your facial skin by removing make-up and impurities, 6x better than by hand. Braun Face not only refreshes the glow and radiance of your facial skin. It also helps your creams and moisturizers to
