The York Laptop Backpack 16"" is designed for professionals on the move, combining clean style with practical functionality. With its top-load design and dedicated padded laptop compartment, it securely fits most notebooks up to 16 inches while keeping your essentials organized and within easy reach. Whether commuting to the office or heading out on a business trip, this backpack offers a reliable and streamlined carrying solution.

Organized Storage with Quick Access

A spacious main compartment provides ample room for magazines, documents, headphones and more, making it easy to keep everything in order throughout the day. The large front pocket with zipper offers quick access to frequently used items such as powerbanks, pens or business cards, so you’re always prepared without having to search through your bag.

Water-repellent Exterior, Safely-padded interior

Built from water-repellent and durable outer material, the York backpack protects your belongings from light rain, spills and everyday wear. The padded laptop sleeve adds an extra layer of security for your device, ensuring it stays safe during transport.

Comfortable and Secure Carrying

Designed with comfort in mind, the backpack features breathable back padding that promotes airflow and keeps you comfortable even during longer commutes. Adjustable, padded shoulder straps with a non-slip design provide a secure fit, while the sturdy carry handle offers an alternative way to grab and go.

Practical Features for Life on the Go

Two elastic external pockets offer convenient storage for water bottles, umbrellas or travel mugs, keeping hydration and essentials close at hand. With its aircraft-friendly carry-on size, the York Laptop Backpack fits easily into overhead bins or under seats, making it an ideal companion for both daily use and travel.
