NOTEBOOK LAPTOP CABINET is a mobile, compact cabinet for storage and charging of laptops, Chromebooks and similar devices.

The 4 wheels on the this series have been Tested and selected to complement the rest of the design and rolls with ease, regardless of weight of the many devices stored inside of the rack while the Strong handles on the sides make it easy to push and move the cabinet.

A secure cable management system ensures that the cables stay in the cabinet once they have been installed.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
