The RACLETTE Gourmet has space for eight non-stick pans (equipped with heat-insulated handles) - and meat, fish or vegetables can be grilled on the non-stick grill plate with a smooth and ribbed surface, while the delicious side dishes are gratinated in the pans. The continuous temperature control (with indicator light) ensures perfect cooking results. The anti-slip feet ensure that the pan stands securely on the dining table - and the operating instructions also bring delicious recipe ideas into your home!
