10 equaliser modes

Bass at the press of a button and so much more: The wireless headphones with a total of 9 equaliser modes perfectly showcase your favourite sound. 1 additional profile can be customised

30 h battery life

Rich sound: music, podcasts or calls - with a 30-hour battery life thanks to the mobile charging box, you can listen to your favourite albums all day long

Quickly ready for use again

Get the music started: the Bluetooth headphones are fully charged in just 45 minutes or offer 2 hours of playtime after just 10 minutes

Environmental Noise Cancelling (ENC)

Improved voice quality when making calls: the Bluetooth headset with ENC noise cancellation filters out disturbing ambient noise directly at the microphone - so your voice comes through crystal clear

Touch control

Touch control: the touch sensor allows intuitive operation without having to take your mobile phone out of your pocket, e.g. music playback (Play/Pause), take/make/reject calls / last number redial

True Wireless headphones

Reduced to the only thing that matters: comfortable in-ear headphones without tangling cables for even more freedom

4 g Bluetooth headphones

Wireless headphones with a small and lightweight in-ear design: the earpieces of the in-ear headphones weigh just 4 g each, so you feel nothing but sound in your ear, yet a secure grip is

guaranteed

Automatic switch-on & pairing

Great music straight away: when the charging box is opened, both earphones activate automatically and connect to each other and the mobile phone

4-stage LED display

How much battery power remains: 4-stage LED indicator on the charging case shows the current charging status – lights up briefly when opening and closing

With loop

Whether a carrying handle or belt: Thanks to the loop on the charging box, the wireless headphones are always at hand, can be stowed away quickly and safely, and are not easily lost

Passive noise suppression

The perfect fit reduces unwanted exterior noise so that you can enjoy your music without being disturbed

Integrated microphone

Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.

Direct access to Siri and Google Assistant

Convenient voice control: supports the Siri and Google Assistant voice assistants

Perfect fit, great look

The perfect fit for your ear: the Bluetooth headphones with their in-ear design and silicone ear tip fit securely and comfortably in any ear
