This case has a built-in slot where the pen can be kept and charged at the same time.

The pencil case is ultra slim and consists of a soft TPU back cover and a magnetic front cover. It is crafted to give full protection of the tablet and the pencil.

The TPU back ensures that the case does not easily break if dropped and it protects the tablet better than a case with a hard back against bumps, drops and scratches.

The slim, foldable front cover with microfibre lining is magnetic and supports the auto wake/sleep function as well as it offers two stand modes.
