London ICON is a multifunctional iPad case made from dbramante1928's ICON material, which features a soft-touch finish and a surface resistant to stains, scratches, and pen marks. Crafted from GRS-certified recycled plastic materials and fully recyclable, it's better for both your iPad and the planet. This stylish, slim folio case folds into multiple positions, offering versatile stand options for viewing, typing, and scrolling, while providing effective protection against shocks and scratches.
