PanzerGlass PG69749 watch part/accessory Watch screen protector

Model: PG69749

Manufacturer: PANZERGLASS

EAN: 5715685054730

Product Code: 1588355

R920

Protect your watch from the bumps and scrapes of everyday life with our 100% recycled film. Accidental slides across door frames, brushes against table edges, or encounters with sharp corners are no match for this scratch-resistant film. Even if your watch grazes a rough surface or meets something sharp, it stays safe from scratches and scuffs. The film also reduces fingerprints and dirt, keeping your screen clear and easy to read. It’s simple to apply, and once it’s on, you’ll never have to worry about the cringe-worthy sound of screen against metal again. This may never happen, but if it does, you’ll wish you’d hit “add to cart.”.
