The Gembird WM-90ST-02 is a versatile mounting kit designed for TVs ranging from 43 inches to 90 inches. Crafted from durable steel with a powder-coated finish, it ensures longevity while providing a secure hold for your display. This full-motion mount allows for flexibility, featuring tilt adjustments from  $-15^{\circ}$  to  $3^{\circ}$  and swivel adjustments from  $-30^{\circ}$  to  $30^{\circ}$ , enabling viewers to achieve the optimal viewing angle from any part of the room. The leveling adjustment ranges from  $-3^{\circ}$  to  $3^{\circ}$ , allowing for precise positioning on uneven walls, ensuring that your TV is displayed perfectly.

With a maximum load capacity of 50 kg, this mounting kit offers stability when securing your TV. It accommodates a variety of flat panel mounts with interfaces ranging from 100 x 200 mm to 600 x 400 mm, making it compatible with various display models. The thoughtful design and robust materials make the Gembird WM-90ST-02 a reliable choice for any home entertainment setup, ensuring a seamless integration of your TV into your space.
