

Rexel ShredMax AutoFeed+ 300M Micro Cut Paper Shredder

Model: 2025300MEU

Manufacturer: REXEL

EAN: 5028252658652

Product Code: 1589713

R16,126

The Rexel ShredMax AutoFeed+ 300M is a high-performance fully automatic shredder designed for secure, efficient document disposal in everyday office environments. Simply load up to 300 A4 sheets (80gsm) into the paper chamber, close the lid, and the shredder machine automatically destroys the stack—no manual feeding required. Compact yet powerful, it's an ideal office shredder for highly confidential waste.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

This micro-cut paper shredder features advanced patented technologies that ensure smooth, reliable shredding. Bin Rotation Technology (BRT) rotates the internal bin during operation to distribute shredded paper evenly, preventing pyramid peak build-up and maximising bin capacity. Flat Cut Technology produces smaller, more secure micro-cut particles than standard P5 shredders, while delivering smoother, quieter operation than traditional punching-style cutters. Centre Feed Technology uses a closed paper chamber which feeds a few sheets at a time into the cutters, helping prevent jams while automatically removing staples and paper clips. A bin LED illuminates during operation, clearly indicating when the paper shredder is running.

For smaller tasks, the manual feed slot shreds up to 8 sheets at a time, while anti-jam technology helps ensure uninterrupted performance. The 60-minute continuous run time provides the power needed for longer shredding sessions and a PIN lock chamber gives added security and peace of mind.

This office shredder combines a space-saving footprint with a bin capacity of up to 300 sheets of shredded paper (25L). LED status indicators on an intuitive control panel provide clear system and bin-level monitoring, while the circular design keeps shreds contained for mess-free bin emptying.

Engineered for performance, reliability and security, the Rexel ShredMax AutoFeed+ 300 P5 delivers true automatic shredding—load, close and walk away. The future of shredding, brought to you by Rexel - the world's No.1 AutoFeed shredder brand.

The full cradle-to-grave carbon footprint of the Rexel ShredMax AutoFeed+ 300 P5 has been calculated according to the Greenhouse Gas Protocol, delivering a 8.9% CO2e reduction compared with the previous 2020 Rexel Optimum AutoFeed+ 300 P5, thanks to a more compact design, reduced material use and lower transport volume.
