

Rexel ShredMax AutoFeed+ 150X Cross Cut Paper Shredder

Model: 2025150XEU

Manufacturer: REXEL

EAN: 5028252658508

Product Code: 1590075

R10,220

The Rexel ShredMax AutoFeed+ 150X is a fully automatic shredder designed for secure, efficient document disposal in the home or personal workspace. Simply load up to 150 A4 sheets (80gsm) into the paper chamber, close the lid, and the shredder machine automatically destroys the stack—no manual feeding required. Compact yet powerful, it's an ideal home office shredder for everyday confidential waste.

This cross-cut paper shredder features advanced patented technologies that ensure smooth, reliable shredding. Bin Rotation Technology (BRT) rotates the internal bin during operation to distribute shredded paper evenly, preventing pyramid peak build-up and maximising bin capacity. Flat Cut Technology produces smaller, more secure cross-cut particles than standard P4 shredders, while delivering smoother, quieter operation than traditional punching-style cutters. Centre Feed Technology uses a closed paper chamber which feeds a few sheets at a time into the cutters, helping prevent jams while automatically removing staples and paper clips. A bin LED illuminates during operation, clearly indicating when the paper shredder is running.

For smaller tasks, the manual feed slot shreds up to 8 sheets at a time, while anti-jam technology helps ensure uninterrupted performance. A 30-minute continuous run time provides the power needed for longer shredding sessions.

Designed to fit in tight spaces or comfortably beside your desk, this small shredder combines a space-saving footprint with a bin capacity of up to 150 sheets of shredded paper (15L). LED status indicators on an intuitive control panel provide clear system and bin-level monitoring, while the circular design keeps shreds contained for mess-free bin emptying.

Engineered for performance, reliability and security, the Rexel ShredMax AutoFeed+ 150 P4 delivers true automatic shredding—load, close and walk away. The future of shredding, brought to you by Rexel - the world's No.1 AutoFeed shredder brand.

The full cradle-to-grave carbon footprint of the Rexel ShredMax AutoFeed+ 150 P4 has been calculated according to the Greenhouse Gas Protocol, delivering a 4% CO₂e reduction compared with the previous 2020 Rexel Optimum AutoFeed+ 150 P4, thanks to a more compact design, reduced material use and lower transport volume.
