Alleviate back discomfort with the Fellowes Breyta comfort back cushion, which provides essential support and promotes proper ergonomic posture. It features an easy-to-use adjustable strap that holds the cushion securely in place (strap length: 100 cm). Designed for convenience, this cushion also includes a built-in carry handle for easy transportation wherever you work. Made from eco-friendly materials, the foam contains post-consumer recycled content from mattresses, and the fabric cover is crafted from 100% post-consumer recycled polyester.
