EXPERT 'HOLLOW BRICK' FOR LONG LIFE CUTTING HOLLOW BRICK

For builders and bricklayers, cutting hollow bricks on site allows work to proceed rapidly and productively. However, most reciprocating saw blades couldn't last long in such abrasive mineral materials. With a specialist carbide blade like the EXPERT 'Hollow Brick', bricklayers can cut hollow brick to size conveniently, and without destroying their blades.

Thanks to the Bosch EXPERT 'Hollow Brick' Reciprocating Saw Blade, the recip saw is fast becoming a favourite tool among bricklayers. Cut your bricks to size with Bosch Carbide Technology.
