Up to 80-Minute Runtime

Cleans up to 660 sqm on a single charge.

FlatReach 2.0 Lay-Flat Cleaning

180° low-profile design reaches hidden dirt in tight spaces.

Smart Self-Cleaning & Drying Roller

Stays clean and ready for next use.

High-Heat Steam.

Whole-Home Clean in One Go.

VaporFlow 180°C ⁽¹⁾ High Temperature Steam Cleaning:

Softens Stains Before You Scrub

Melts wax and breaks down oil stains ⁽⁴⁾ with high temperature steam sprayed across a full cleaning width — No chemicals needed.

Steam Cleaning Mode - Certified 0 Damage to Wooden Floors

Certified by TÜV SÜD: In steam-cleaning mode, the test simulated five years of cumulative use (18,000 strokes). The solid wood floor surface showed no swelling, no warping, and no cracking—delivering powerful cleaning with total floor safety.

A Barefoot-Level Clean You Can Truly Feel

With 25,000 Pa suction, 33 N downward pressure, and 450 RPM brush rotation, it lifts embedded dust and tackles wet and dry messes for a deeper clean in a single stroke.

Precision water control.

The constant-pressure scraper minimizes watermarks with every pass, leaving a crisp, clean finish that dries in seconds.

JawScrapers Anti-Tangle Design

Zero Hair Tangles. Maintenance-Free.

Conquer hair and debris with JawScrapers design. Shark-tooth blades strip away tangles for an uninterrupted, flawless clean.

Reaches Every Edge, Even Deep Underneath

Edge-to-Edge Cleaning:

From Baseboards to Corners

Dust tends to accumulate along walls and corners. Achieves <1mm edge-to-edge cleaning, keeping every corner spotless.

FlatReach 2.0

180° Lie-Flat Design Cleans

Low Areas with Ease

The body tilts smoothly to a full 180°, maintaining suction even when completely flat. At just 12.5 cm (4.9 in) high ⁽¹⁷⁾, it easily glides under furniture such as beds and sofas.

Blue Light Illumination

See the Mess You Used to Miss

Illuminates hidden dust and fine particles for a clearer view and more confident cleaning.

Designed to Feel Effortless

Agile Steering. Effortless Control.

70° Swivel Design

With a lowered tank and 70° swivel ⁽¹⁸⁾, it adapts to your home's layout, making U-turns and edge-cleaning smoother than ever.

Balanced for Effortless Handling

By lowering the center of gravity for a grounded, stable feel, it delivers enhanced maneuverability that feels lighter in your hand and steadier on the floor.

Cleaning, Made Intelligent

Smarter Cleaning. Deeper Results.

During cleaning, the system auto-detects dirt levels and adjusts suction and water flow* accordingly. It deep-cleans tough spots and quickly refreshes lighter ones—saving time, effort, and repeat

passes.

Real-Time Status. Total Clarity.

Track cleaning modes, steam preparation status, and live dirt detection* at a glance via the intuitive screen and responsive light bar.

Auto Detergent Dispenser

Set it and forget it. With smart auto-dosing, one refill provides 30 days of perfectly mixed cleaning solution.

Built to Stay Clean

Dock it. Press it. It cleans itself.

Using steam and heat flow to deep-clean the roller with advanced solid-liquid-air separation technology, while the DirTect module senses dirt levels and automatically adjusts the cleaning power—keeping the roller fresh and spotless.

All-in-One Thermal Self-Cleaning System

Auto Pipe Flush

Flushes away leftover grime

180°C Steam Hygiene Boost

Remove germs with steam

Roller Dirt Check

Adjusts cleaning intensity by dirt level

High-Speed Spin Dry

Spins out excess water

Dual High-Heat Soak

Loosens stubborn stains with steam and heat flow

95°C Hot Air Drying

Dries and fluffs the roller
