Private messages. Bank details. Pin codes. With this screen protector from PanzerGlass®, your secrets are safe from the prying eyes of people sitting next to you on the train, on the bus or in the office. The specially designed privacy filter renders the content of your screen virtually invisible to everyone except you.

Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are also no match for this scratch and shock-resistant screen protector, which provides high-level drop protection. It even has a smudge-free coating with antibacterial effect that reduces traces of fingerprints and kills up to 99.99% of all common surface bacteria.

Installation is easy peasy. Usually one attempt is enough, and should you need more, don’t worry: the screen protector can be re-installed up to 200 times. And once it’s installed, you’ll never again
