R1,131

A vegan leather case that won’t cost the earth! Stockholm 2-in-1 wallet case looks and feels just like real leather. Unlike many other vegan leather products, this case is made from recycled plastic materials and is 100% recyclable.

- Made from GRS-certified recycled and recyclable plastic materials (1 case=2x 0.5L plastic bottles)
- Custom-fit slim yet impact protective design
- Flip wallet case with detachable snap-in-place cradle
- Compatible with wireless charging
- 3 top loading credit card slots with room for 5 cards plus a note section
- vegan leather that looks and feels just like the real thing
- Made without compromise on quality, functionality and design
