Lindy 50m 4 Port USB 2.0 Cat.6 Extender

Model: 42681

Manufacturer: LINDY

EAN: 4002888426817

Product Code: 1597679

R3,223

This Lindy USB 2.0 Cat.6 Extender can be used to extend the distance between four USB peripheral devices and the host computer by up to 50m.

A standard, low cost Cat.5e/6 network cable (not included) is used to bridge the connection between the transmitter and the receiver unit. For best performance and compatibility, we recommend the use of solid core patched cables.

The Extender features Power over Cable, which requires a single power supply only to be connected to the transmitter unit. This handy feature allows the receiver unit and connected devices to be located more freely as no power supply is required. With robust metal housing and integrated mounting brackets this Extender is the ideal solution for industrial environments.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
