EAN: 766623190404

Product Code: 1598116

R854

USB-C to 4K HDMI Multiport Adapter to connect a laptop, MacBook®, smartphone or tablet to an HDMI monitor - plus USB port, Headset Jack and Power Delivery Charging

Unlock the full potential of your USB-C device with the Manhattan USB-C to HDMI 4-in-1 Dock.

Designed to enhance productivity and convenience, this versatile adapter connects your laptop (or other device) to an HDMI display, a USB-A peripheral, and a headset, all while keeping it charged with up to 100 W of Power Delivery.

Stunning 4K UHD Display Support

Experience crystal-clear visuals with resolutions up to UHD 4K@30Hz. Whether you're presenting in a meeting, streaming your favorite content, or working on detailed projects, this adapter ensures that everything looks sharp and vibrant.

USB-A Port for Fast Transfers and Peripherals

The USB 3.2 Gen 2 Type-A port offers SuperSpeed+ data transfer rates up to 10 Gbps, making it perfect for connecting peripherals like mice, keyboards, and portable memory devices or syncing phones and tablets.

Comprehensive Audio Capabilities for Headsets, Headphones, and Speakers

Enjoy high-quality stereo sound with the 3.5 mm jack, which supports both audio input and output. Whether you're using a headset for calls or headphones for music, this adapter provides crisp, clear audio.

Charge and Connect Simultaneously

With support for USB Power Delivery (PD) up to 100 W, you can keep your laptop, tablet, or smartphone powered up while using all the adapter's connectivity features. Just connect an external PD charger and you're set.
