The ICA-PLB 473 is a full motion dual arm wall mount for flat and curved TVs up to 75" and weighing up to 60kg. This mount extends 411mm from the wall and allows the monitor to rotate 90°. The arm fully closed it is only 93 mm from the wall.

Full motion allows for maximum flexibility - tilt and turn the TV for easy viewing from anywhere in a room. Post-installation level adjustment allows the TV to 'spin' up to 3° clockwise and anti-clockwise to ensure it is perfectly positioned. Integrated cable management system keeps cables organized and protected. Wall plate with sliding carriage for a larger TV placement area.
