Model: 4780898

Manufacturer: HERCULES

EAN: 3362934745929

Product Code: 1598507

R1,348

HERCULES HDP DJ45 are the perfect headphones to help you get started as a DJ: plug them into the headphones output on your DJ gear, and monitor upcoming tracks. Pivot an earpiece to hear what's going on around you. Move freely thanks to the long spiral cable. Fold the headphones for easy transportation.

OPTIMAL SOUND ISOLATION

Large, comfortable ear cushions keep out surrounding noise. The headphones encircle your ears for better sound isolation than on-ear models.

COMFORTABLE AND POWERFUL

The earpieces rest against your head, without pushing down on your ears. Soft padding on the earpieces and underneath the headband. 60-ohm impedance: enjoy powerful sound output with any audio source.

OPTIMIZED FOR DJs

Cable on one side only: frees up the DJ during performances. Spiral cable for adjustable length, from 3.3 feet / 1 meter to more than 6.6 feet / 2 meters (extended). Rotating earpieces allow for comfortable one-ear monitoring.

EXCELLENT FOR USE ON THE MOVE

The pivoting earpieces allow for easy transportation and are perfect for mixing.

Support for two headphones output formats: 1/8"/3.5 mm stereo jack + 1/4"/6.35 mm stereo jack adapter.
