

LogiLink ID0188 keyboard Home RF Wireless QWERTZ Black

Model: ID0188

Manufacturer: LOGILINK

EAN: 4052792055276

Product Code: 1599886

R1,112

The 2.4 GHz wireless keyboard with touchpad from LogiLink has a range of up to 10m and is therefore particularly suitable for using it with a Smart TV. Simply connect via USB dongle and enjoy the full variety. After 10 minutes of inactivity, the keyboard automatically switches to sleep mode, saving energy.
