

Rackmount.IT RM-SR-T10I rack accessory Mounting bracket

Model: RM-SR-T10I

Manufacturer: RACKMOUNT

EAN: 8720297440281

Product Code: 1600108

R4,584

The RM-SR-T10i gives you the ability to mount your Sophos desktop appliances in a 19" rack. The rack is tailored specifically for the listed models to guarantee a perfect fit. In addition, the connections are brought to the front for easy access, as well as the console port. The power supply is fixed to prevent an accidental loss of power.

The shielded CAT6 cables and couplers make the RM-SR-T10i applicable in high frequency environments.

Assembly will take about 5 minutes. Simply slide your Sophos device in the kit, place the retainers, connect the supplied cables and keystones, and fix the power supply to the rack.

Other colors can be delivered on a project basis.
