EU Plug Adapter

Your ideal travel companion in Europe – this master plug travel adapter converts plug types from around the world (UK, USA/Japan, Australia/China, Italy, Switzerland, Brazil and many more) to a regular European 2-pin mains plug.

The design of the Verbatim World to Europe Travel Adapter Plug ensures that it fits firmly into wall sockets and will not fall out. Its small and compact size makes it convenient to take with you across Europe.

System Requirements

Plug types accepted by the adapter:
